19.	Alan Hillaby	1950 BSA	

We were blessed with a beautiful evening for EEE number 36 and everyone returned under their own power. Many thanks to my Check pointers. We could not run it without them. We were sorry that one entrant was unable to come as he was still repairing his machine after The Beamish Run. Also sorry to see Viv unable to start after a magneto failure. Request has been made for a 37th EEE in 2017 (so fingers crossed).
