

## **Newsletter April 2018**

The less than pleasant weather continues with the March trial at Castleside having to be cancelled because of snow. To indoor matters; thank you Dave Headon for the domino knockout and to Dennis and Brian for their usual demanding quiz night. The South Durham section suffered at the hands of the competition from the Northumbrian section at this event proving that collective teamwork can overcome individual brilliance. However there are no sour grapes here and we give you our heartiest congratulations and thanks for supporting us on this very pleasant evening.

The calendar gives future events with the talk by Malcom Byrne at the club night on 19<sup>th</sup> April not to be missed and, of course, our first riding event on 22<sup>nd</sup> April led by Chairman Steve Hodgson. This is a social run meeting at the Cricket Club at 10-00 for a 10-30am start.

The Founders Relay Rally is on 6<sup>th</sup> May starting from where you like and taking in checkpoints at where it suits you. No doubt, we'll pass you going in opposite directions somewhere on the day.

Pray for sunshine

Tom Reed
