

Newsletter August 2020

At the end of July a number gathered in North Yorkshire at a farm café near Bellerby which welcomed motorcyclists with outdoor seating, bacon sandwiches tea and sunshine. Good to see some familiar old faces and motorcycles which made for enjoyable distanced get together.

The cricket club opened in July with due regard to the Government's Covid 19 requirements. We had an informal meeting in our usual room and intend to resume our fortnightly meeting. Our first business meeting since the lockdown will take place on Thursday 6th August at 7-15 pm

Unfortunately we have had to cancel the Beamish Trophy Trial.
