

## **Newsletter February 26**

At the AGM, Paul Brown was elected to the Committee whilst Roy Sturgeon stood down having served since 1998.

I was honoured to be invited by the Committee to the annual Presentation night to distribute awards, to the winners of our events held in 2025. Eighty of us enjoyed a unique and convivial evening, a fine meal and some even took a raffle prize home -thanks to all involved in its organisation.

The Section is 50 years old so the toast was for its continuation in providing enjoyment and friendship for everyone. Thanks to Brian Smith's song writing skills, the committee performed once again before proper music began. David Allison's photographic record can be found on the Section's Facebook page or website.

March-12th Quiz night at the Cricket Club and we intend to hold a trial sometime.
