

Newsletter January 23

In December some marked the 46th anniversary of the section with a ride to Bellerby.

Thanks to all (over 50) for contributing to the festive cheer at our Christmas party, and especially the Feldon 3, Viv and Sue, Brian and Angela for organising the entertainment and party treats.

Despite a wet Boxing Day we had a good turnout of VMCC member's family and friends at High Force Hotel in Teesdale. It was pleasing to see those from Northumbrian section as well as David and Marion Miller from Cumbria who had a cold drive in their version of the Loxley Lozenge. Brian Smith was proud to maintain his record of riding every year since 1978, but unfortunately for the first time without Gerry Beer.

The section AGM will be held on the 19th Jan club night

Presentation night at Bannatynes on the 21 Jan – See note on the home page
