

Newsletter November 2020

On a sunny October day many of us met at Reeth for a socially distanced sandwich lunch on the Green, good to see everybody on some very nice motorcycles amongst some grand countryside. We continued to meet at our club nights but unfortunately had to cancel our scheduled trial.

The current situation means it is difficult to give precise details about December events but the Committee are hoping to organise a gathering at the club on 10th and have our traditional ride to High Force on Boxing Day. Please check on our website for the latest situation nearer the time or contact myself or Brian Smith.

Happy Christmas.
