

Newsletter March 2021

To mark the 75th anniversary of the VMCC the editor asks for memorable moments. For us its enjoying the camaraderie of fellow members at our own events and elsewhere. Large contingents have spent memorable holidays at the TT, Manx, Irish, Scottish, Cheltenham and Beverley International Rallies, as well as our participation in events held by neighbouring Northumbrian, North East, Reivers, East Yorkshire, East Lancs and Lakeland Sections. We look forward to renewing friendships very soon and pay tribute to those who have worked hard to organise events to enjoy our motorcycling pastime with like-minded people within the VMCC.

Currently we are meeting by computer video technology. The Committee is planning to resume normal club nights and our usual events, which may not be possible until after 17th May, in accordance with the Government's road map out of lockdown,
