

Newsletter February 2023

At our AGM there were no changes in the committee, although we continue to look for a volunteer to take on the position of Vice Chairman.

Thanks to eighty people for making a special sociable atmosphere for our annual awards evening, held at the new venue, Bannatynes hotel in Darlington. Good to see some old familiar faces from South Yorkshire as well as our Northumbrian friends. Guests of Honour were Eric and Denise Londesbrough who have actively supported the Section since its inception as well as organising 40 annual Eric's Evening Excursions.

David Allison's photographic record can be found on the Section's facebook page or website.

This year's song performed by the Committee and written by Brian Smith entitled "How much is that bike in the window", -not a good buy!

Domino knockout 2nd, quiz 16th March—Section Calendar for 2023 now available, download from our website.
