

## Invitation to Forthcoming Events

01/11/2021

Dear VMCC Member

Due to the Covid restrictions along with people's reticence to meet indoors South Durham Section club nights have suffered from low attendance. Nevertheless the Committee are making arrangement for the return of 3 major social events and club night activities. But it is only with your support that these can take place.

Our Christmas party (including buffet) is planned for the Cricket Club on Thursday December 23rd (£5) and the Annual presentation night at the Mercure Kings Hotel in Darlington on Saturday 15th January 2022. Tickets in advance for both events are available from Brian Smith (Tel: 01325 286623).

Before these, the Beamish Trophy Trial presentation night will take place at the Cricket Club on Thursday 11 November. As well as awards for competitors and marshalls' there is a free buffet and raffle. Everybody is welcome so come along meet old friends and get back into the vintage swing of things-South Durham style.

As regards other club nights, the AGM is 9th December and we have an illustrated talk from Tom Norman scheduled for the January 20th. It is the intention to organise other activities, dependant on volunteers stepping up who in turn need to be rewarded with good attendances.

It would be appreciated if you could indicate whether you can or cannot attend these events by sending an e-mail or contacting a Committee member. This will assist in our planning. You will understand that there is no point doing any of these things without adequate support

Please pass this message on to anyone who's E mail we do not have or who does not access to the Section's website.

Best wishes and we look forward to seeing you.

South Durham Section Committee.
