

Newsletter May 2018

We managed our first run of the year, on 22nd April, when Steve Hodgson led about 20 riders. The run took us through lower Weardale into Teesdale and finished for a lunch stop at the Strathmore Arms, Holwick - The square pies are sensational and stood no chance, the picture tells it all! A cold day but dry.

Malcolm Byrne gave an enthralling talk on the Pacific Theatre of WW2 which was up to his usual well-researched standard. £55 was collected for the Blood Bike charity in appreciation of the talk.

The April trial, at Wensley, was postponed from 15th until 29th due to wet ground. 22 riders entered the revised event with G Powell winning from Dave Flintoff and Paul Harrison. There is no trial scheduled, as yet, in May.

Runs in May are in the calendar starting with the Relay Rally on 6th, Wetherby Run and the Rookhope Ride on 13th and, the big one, the Quaker Weekend on 19th/ 20th. The Lakeland section's Back Green Rally is on 26th/27th May.

The riding season continues apace now with regs. becoming available thick and fast.

See you out there

Tom Reed
