

Newsletter March 2024

Sad to report Gerry Beer died in January- a stalwart supporter of the Club, which included participation in northern VMCC gatherings. A former Chairman, and fine ambassador for the Section for nearly 50 years we will miss his friendship and enthusiasm at events and club nights. His Funeral will be held 20th February 3.00pm at Darlington Crematorium.

Following our AGM, Mike Roberts volunteered to join the Committee.

Thanks to eighty people for attending our annual awards evening. Guests of Honour were Howard and Liz Duddles, one of our founding members who have actively supported the Section for nearly 50 years. This year Howard crafted wooden pistons as replicas for the Sunset Run that he has been organising since 2007. The vintage gents provided entertainment to the "tune" of Teddy Bears picnic. David Allison's photographic record can be found on the Section's facebook page or website.
