Congratulations and a huge thanks to Eric and Denise Londesbrough for organising 40 annual evening outings for members of the VMCC. At the conclusion of Eric's Evening Excursion, held on a sunny June evening, Eric announced to over 20 or so participants that it was the last. First run from his home in Darlington recently it has been based at Dalton on Tees Village Hall. It comprises, a run of 40 miles along country lanes in North Yorkshire, a quiz which educates us on motorcycling history and highway code and the welcome refreshments, delivered in Eric and Denise's thorough and friendly style . A unique occasion in the South Durham calendar which has given special and lasting memories.

On August 1st Viv Tubby is intending running the Saunter whilst later in the month Bobby Robinson is organising the Baydale Run, see our website for details or contact them direct.
