Thanks for attending the AGM, the existing Committee members to continue.

Nearly eighty people attended our annual awards Presentation dinner and entertainment with Guest of Honour Club President Neil Lewis. Thanks to Brian Smith's song writing skills, the vintage committee members featured in the "tune" of My Old Mans a Dustman. David Allison's photographic record can be found on the Section's Facebook page or website.

Sad to report Denise Londesbrough died in January- an active member of the Section alongside her husband, they organised the popular Eric's Evening Excursion for 40 years.
