

Newsletter August 2022

In June Dave Headon organised both the Club night ride in supported by about 20 riders, and the Concours and social run on a fine Saturday, Roy Sturgeon and his team ran two trials with a good turnout of 14 riders for the Butsfield Quarry event.

Elsewhere some of us have joined in events held by our neighbouring Northumbrian and Reivers sections , whilst it was pleasing to see some old friends from the Isle of Man when they displayed on Peel harbour front during TT week.

August sees Viv Tubby is hosting the Saunter on 6th, Bobby Robinson the Baydale Run on 28th.
