

## Newsletter May 2019

There were 16 of us gathered for Steve's "Spring Lamb Run" on a sunny 21<sup>st</sup> April. The run left the club and headed via Scorton to Richmond and thence over the tops, across the A66 and finished at Manfield. This was some 50 odd miles in total - a pleasant run for which we thank Steve and also Gary Catterick for the pictures of machines at the start.

There were 10 riders at the championship trial at Chop Gate with Paul Harrison, C. Jackson and G. Powell all managing to get round without losing any marks. Well done. Full results are in the Trials tab.

There's a fairly full programme of rides in the calendar in May with the Quaker weekend being our big event. Regulations can be downloaded now from this website so get your entry in and hope for continued good weather.

On 4<sup>th</sup> June, the evening social run and concours is looking for a new organiser but it will be held. See you there when details are available.
